

YWCA Greater Harrisburg Camp Reily FAQs

Where is Camp Reily located?

Camp Reily is located at 300 Camp Reily Road, one mile off of 322 Fishing Creek Exit. It's located just 10 minutes outside of the city. [Click here](#) to get directions from your location.

What are the dates for the 2016 camp season?

Our 2016 summer camp season starts June 6th and runs 5 days a week through August 26th. We will be closed Monday, July 4th for the Independence Day holiday.

What are the hours of camp, and what does a typical day look like?

Our summer camp program starts at 7:30 AM and runs until 5:30 PM. Campers will be picked up from their designated locations and transported to camp for breakfast. We will then start our day with a morning meeting and opening ceremonies.

Groups will then go through their morning activity rotation of arts & crafts, sports and nature time. Campers will enjoy free time before lunch, with swimming, more group activities and snack after lunch.

There will also be an afternoon meeting and some cool down time before the children leave camp for their pick up locations. Some days will be slightly different due to field trips, guest speakers or special activities.

Do you provide transportation?

Yes! We provide transportation for any campers who would like to ride the bus to and from camp and/or for field trips. We have multiple convenient pick up locations that will be announced closer to the start of camp. There is also the option for parents to drop off and pick up at camp, if desired.

What activities are included in camp?

Camp includes lots of fun traditional summer camp activities such as swimming, sports and arts & crafts. We also offer much more with themed weeks and activities, interactive field trips, guest speakers and lots of hiking trails! Some of the fun themed activities we'll be hosting this summer include: a Color Run, a Hidden Talent Show, the Olympic Games and a gigantic water slide!

YWCA Greater Harrisburg Camp Reily FAQs

Will my child learn to swim at Camp Reily?

All swimmers are supervised by trained and certified life guards. Our professional lifeguards will help teach campers to swim, guide campers through swim tests and help them improve their swim skills with repetition and retesting.

What should my camper wear to camp?

Campers are asked to wear closed toe shoes, modest swimwear and appropriate clothing that is easy to play in and can get dirty. It is a great idea for your child to keep a labeled extra set of clothing in their bags.

What should my camper bring with them?

We ask that all campers bring a swim suit, towel, sunscreen, bug spray & a water bottle. On field trip days, the children will be notified what to bring in advance based on the field trip destination.

Are your counselors and lifeguards qualified? What is your counselor to camper ratio?

Our qualified counselors are certified to work with children and are trained on camp related topics yearly, and our lifeguards all are certified through the American Red Cross. We use a 1:10 counselor to camper ratio in all areas except swimming, where we observe the regulations set forth by the Department of Human Services.

Are meals included?

Breakfast, lunch and a snack are included in the program fee. Our chef prepares healthy meals from a full on-site kitchen. Meals for campers include servings of vegetables and fruit, with a main course like sandwiches, chicken nuggets and much more. Milk and water are provided at each meal.

How do you handle food restrictions?

All food restrictions must be received prior to the camper enrolling to ensure we are able to properly provide care for them. A doctor's note describing the restriction, symptoms of exposure and a plan of action is required so we can provide an alternate option for meals.
